

Nutcracker Children's Cast Photo Schedule

Please have your child's hair in the appropriate style, tights and changing leotard already on and proper dance shoes ready. The changes into and out of costumes are quite quick and being prepared allows us to keep to the above schedule. You will need to pay for your photos at the time the pictures are taken. There will be order forms available that day and representatives from the photographer's studio to help you with your purchase. Dads may elect to have their picture taken in the Litter Bearer costume too!
