CLOTHING:

- Girls: Pink tights, nude camisole-changing leotard, black jazz shoes.
- Boys: White t-shirt, black bike shorts, black socks without logos, black jazz shoes.

HAIR:

- Girls: High bun, 3" from the forehead, no bangs.
- Boys: Neat and combed away from the face. Long hair, same as girls.

COSTUME:

- Put on pants and crisscross suspenders in the back. Tighten elastic suspenders to make pants as high as possible (can knot the elastic if needed).
- Put on the jacket and button all buttons.
- Take two red fabric straps and pin the LEFT shoulder first. Then the RIGHT shoulder. Straps should be pinned under the shoulder decoration so the safety pin doesn't show. If there is too much red fabric, fold fabric and then pin.
- Loop belt through the red loops on the bottom of the jacket. Buckle black belt. Tuck any remaining belt into the red loops.
- Attach a red cape. Button on the LEFT shoulder and snap loop at the back around the red strap.
- Put spats over pants and over shoes (can remove shoes if hard to get on).
- Put on gloves. The gauntlet goes over sleeve of the jacket. Snap inside of gloves (if they have snaps).
- Attach the plume to the hat before putting it on. Add foam piece inside the hat if it's covering the eyes. The hat brim should hit the eyebrows. The strap of the hat goes in front of the ears.
- Put red circles on the cheeks. Have them smile and place them on the apples of the cheekbones.

- Girl: Apply a neutral pink lipstick/Boy: Apply a neutral lipstick to enhance natural lip color.
